## EPA moves ahead on plans to shutter Michigan facility for emergency response personnel

federalnewsradio.com

The Environmental Protection Agency (EPA) is moving ahead on its decision to shutter an agency-owned facility in Michigan that will impact nearly 20 emergency response employees.

## Ex. 5 Deliberative Process (DP)

In their current office building in Grosse Ile, Fusinski said employees each have their own private offices with about 144 square feet of space. In the new PortaFab office space, he estimated each employee will have about 48 square feet of space.
